and 15 books were loaned. The Secretary remarked that this

was the largest number of books taken out since February

2019 and he attributed this in part to the good work of our

Book Buyer, Mr Johnson, who earned a round of applause.

The Books were stacked and recorded, the Club was collected

and the Books were returned to their boxes with the Club

flat being quite low the Whip was set at 13 and the

Stewards took the drinks order: £28.95.

Wednesday, March 13th and asked Members to consult the

online menu to have their choices ready for the next Meeting.

from three colleagues of Mr Phillips (and Mr Schofield), Michael

Heaney, Hayley Thompson and Hannah Crosby, all of whom he

3) As was decided at the November Meeting a book sale

was held with Mr Johnson acting as auctioneer. A total

of £9 was raised.
